

INDUSTRY LINKAGE & MOU'S WITH INDUSTRY

Out of the seven programmes in Agnel Polytechnic, two of the programs are sandwich pattern wherein students of Diploma in Automobile Engineering and Diploma in Construction Engineering undergo Industrial training during the 5th semester and 8th semester and students are greatly benefited by the Industrial Experience and Experience gained.

Students from the other five programs have to undergo a 8 week mandatory Industrial training that is closely monitored by Industry and Institute mentors. To facilitate smooth Industrial training for the students, Institute has signed MOUs with the Industries below:

1. Delta Technologies
2. A. S. Enterprises
3. Fab Coders
4. RAMNET
5. Computer Clinic
6. MUR Automobiles Pvt. Ltd.
7. Caculo group of Companies
8. Spikes Electronics
9. Kallows Engineering
